Re: RCN Corporation
Request for Refund of Assignment Application Fees
Fee Control No. 0406288994131003

Dear Mr. Becker:

This letter responds to your request (dated June 24, 2004) submitted on behalf of RCN Corporation, Debtor-in-Possession (RCN DIP) for a waiver and refund of application fees submitted in connection with applications for the *pro forma* transfer of control of authorizations held by subsidiaries of the former RCN Corporation (RCN). Our records reflect that you paid the \$3,430.00 application fees at issue here.

In your request, you state that on May 27, 2004, RCN and certain non-operating subsidiaries (Subsidiaries) filed petitions (Petitions) with the United States Bankruptcy Court for the Southern District of New York (Bankruptcy Court) seeking reorganization under Chapter 11 of the Bankruptcy Code. You state that filing of the Petitions converted the legal status of RCN to RCN DIP, which in turn resulted in a *pro forma* transfer of control of the Subsidiaries from RCN to RCN DIP. On June 24, 2004, RCN DIP submitted the transfer of control applications at issue here to the Commission and paid the associated application fees. You submit a copy of the Bankruptcy Court's "Order under Fed[eral] R[ule] of Bank[rup]t[cy] P[ro]cedure 1015(b) Directing Joint Administration of Cases," dated June 2, 2004, consolidating the bankruptcy cases of RCN and the Subsidiaries. You assert that a waiver of the application fees will permit RCN DIP to conserve its resources for the benefit of creditors while permitting RCN DIP to continue providing high quality communication services throughout its area of operation.

Section 1.1117 of the Commission's rules, 47 C.F.R. §1.1117, provides that filing fees may be waived upon a showing of good cause and a finding that the public interest will be served thereby. *See Establishment of a Fee Collection Program to Implement the Provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985*, 5 FCC Rcd 3558, 3572-73 (1990). We find that the bankruptcy filing involving RCN DIP and its subsidiaries substantiates RCN DIP's claim of financial hardship and demonstrates good cause for waiver of the filing fees. *See MobileMedia Corporation*, 14 FCC Rcd 8017, 8027 (1999) (bankruptcy establishes good cause for waiver of filing fee). Moreover,

waiver of the filing fees will serve the public interest by protecting the interests of innocent creditors. Therefore, your request for waiver of the application filing fees in connection with the pro forma transfer of control applications is granted.

A check made payable to the maker of the original check and drawn in the amount of \$3,430.00, will be sent to you at the earliest practicable time. If you have any questions concerning this letter, please contact the Revenue and Receivables Operations Group at (202) 418-1995.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark A. Reger', with a stylized flourish at the end.

Re: Petition For Waiver Of Filing Fees, Pursuant to 47
C.F.R. §1.1117, Applicable to the *Pro Forma* Transfers
Of Control of Applicants From RCN Corporation To RCN
Corporation, Debtor-In-Possession

Dear Mr. Fishel:

RCN Corporation, Debtor-In-Possession ("RCN DIP"), on behalf of its subsidiaries identified below and pursuant to 47 C.F.R. §1.1117, hereby requests waiver and refund of the Commission filing fees imposed pursuant to Subpart G, Part 1, of the Commission's Rules,¹ associated with the applications ("Applications") specified at Attachment 1 hereto advising the Commission of a *pro forma* transfer of control of numerous Commission authorizations held by those subsidiaries listed at Attachment 1 (the "Subsidiaries"). As detailed below, grant of the waiver requested herein is for good cause and will serve the public interest.

On May 27, 2004, RCN and certain non-operating subsidiaries filed petitions ("Petitions") with the United States Bankruptcy Court for the Southern District of New York seeking reorganization under Chapter 11.² Filing of the Petitions served to convert the legal status of RCN to a debtor-in-possession, which in turn resulted in a *pro forma* transfer of control of the Subsidiaries from RCN to RCN DIP. Between June 21 and June 28, 2004, RCN DIP will submit the Applications either electronically or by paper application to the Commission. Upon filing of the Applications, the Subsidiaries will pay the filing fees

¹47 C.F.R. §1.1101, et seq.

²Re RCN Corporation, et al., jointly administered under Case No. 04-13638 (RDD) (Bankr. S.D.N.Y.).

specified at Attachment 1 in connection with the filing of the Applications (collectively the "Filing Fees").

By this waiver request, RCN DIP seeks waiver of the Filing Fees and refund thereof. In particular, RCN DIP requests that the following fees be waived and refunded:

FCC Form 603 and 327 Applications For Wireless Transfer -- \$3,430.00.

Section 1.1117(a) of the Commission's Rules provides for waiver and/or deferral of filing fees where good cause is shown and where such waiver and/or deferral is found to promote the public interest.³ The Commission has specifically held that it, "will grant waivers of ... fees on a sufficient showing of financial hardship."⁴ In the same proceeding, the Commission expressly recognized that "[e]vidence of bankruptcy or receivership is sufficient to establish financial hardship."⁵

Similarly, in its decision in *MobileMedia*,⁶ the Commission recognized that, "relief from ... fees is appropriate to enable a bankrupt company to conserve its resources for the benefit of innocent creditors as contemplated by the bankruptcy code."⁷ The Commission went on to find that, "bankruptcy establishes good cause for waiver of the filing fee. ... Moreover, waiver of the fee will serve the public interest by enabling *MobileMedia* to preserve its assets that will accrue to innocent creditors."⁸ The Commission has, therefore, ruled unambiguously that reorganization under Chapter 11 of Title 11 of the United States

³47 C.F.R. §1.1117(a).

Code⁹ satisfies the requirements of 47 C.F.R. §1.1117(a) for waiver of Commission-imposed filing fees for involuntary, *pro forma* applications such as the aboe-referenced Applications.

In point of fact, the Commission has on numerous occasions granted such waivers with respect to applications involving involuntary transfer of control and assignments of license in a Chapter 11 scenario. Grant of the requested waiver is therefore consistent with established Commission precedent in its treatment of bankrupt entities. Indeed, the Commission has frequently granted waiver requests similar to the waiver requested by this filing to other similarly situated carriers.¹⁰

In the instant case, RCN DIP's Chapter 11 reorganization is precisely the type of situation in which the public interest will be served by a waiver of the Commission's filing fee requirements as requested herein. Waiver will permit RCN DIP to conserve its resources for the benefit of creditors while permitting RCN DIP to allocate its available resources for the purpose of ensuring rapid and successful completion of its reorganization without interruption to the high-quality communications service RCN provides throughout its area of operation. As such, RCN respectfully submits that, consistent with the above-specified Commission precedent, good cause exists for waiver and refund of the Filing Fees. As demonstrated herein, the public interest will be served by Commission grant of this waiver request.

Accordingly, pursuant to 47 C.F.R. §1.1117(a), RCN DIP hereby requests waiver and refund of the Filing Fees that the Subsidiaries paid with respect to filing of the Applications.
